Winged Victory

A \$100 Glad for \$1

The sensation of the 1928 California Society Show. Ask the man who saw it!
The largest flower yet produced; single blooms measure 8 inches in diameter consistently!

The finest, clearest, eosine pink with no blotch or markings—absolutely self colored!

Form is unique, the flower having giant reflexed long pointed petals; this is not freakish but is new!

Spike grows five feet tall, has six enormous blooms open at a single time!

Variety is an extremely rapid propagator and a very vigorous grower! In fact this is the 100 per cent Glad!

It is in our opinion the best gladiolus in every respect which we have ever seen. We believe it to be a better Glad than any we have ever purchased for \$100 each. In other words this is a \$100.00 Glad.

The price of this Glad is \$1 for a single bulb—no reduction made for quantity purchases. Orders will be filled in rotation received until stock is sold out, choice of stock and large bulbs going to the first orders. Delivery will be made in the fall of 1929. Cash must accompany your order.

IF AFTER SEEING THIS VARIETY BLOOM YOU DO NOT AGREE WITH EVERY STATEMENT MADE IN THIS ADVERTISEMENT AND DO NOT AGREE THAT WINGED VICTORY IS BETTER THAN ANY \$100.00 BULB YOU EVER SAW, RETURN THE STOCK TO US AND WE WILL REFUND YOUR MONEY WITHOUT A QUESTION!

This is truly a \$100 Glad selling for \$1 and we advise placing orders immediately. You will recall the advance in price on our introduction Coronado as soon as our supply was sold. Winged Victory will not last long at this price. Orders booked up to 100 bulbs.
